

WOODLAND HILLS SCHOOL DISTRICT

VISION

The vision of the Woodland Hills School District is to be a welcoming, inclusive, and rigorous academic organization where each student is prepared for a life of success.

MISSION

The mission of the Woodland Hills School District is to ensure each student is prepared for success in life through a rigorous academic program implemented with the development and execution of best practices, accountability, the highest ethical standards, and an unrelenting commitment to equity and achievement by all.

BELIEFS

- We believe every child has a right to a high-quality and rigorous education in a safe, student-centered and an accountable environment.
- We believe in well-trained, engaged, and committed educators who create learning environments that give students the best opportunities for academic success.
- We believe that all students, staff, and supporters should demonstrate the five “Ps” by being Prompt, Prepared, Productive, Polite, and Proud.
- We believe in equity, and seek it by identifying and addressing barriers to achievement and engagement.
- We believe that education begins with families, and value the decision to entrust children to our care.
- We believe in embracing and welcoming collaborative partnerships with our community that build connections and create educational opportunities for our students.
- We believe in caring, supportive, and positive environments that generate conditions for success.
- We believe every child can learn.
