To Whom It May Concern:

~~Oh the things you can think!~~ We are thrilled to bring **Seussical** back to the Woodland Hills Stage 18 years after its debut! We have completely reimagined this year's **Seussical** for our new auditorium so that there are surprises around every turn! All of your favorite characters make an appearance – the Cat in the Hat, Horton, Gertrude McFuzz, Yertle the Turtle, and the Whos!

Enclosed, you will find information regarding our wonderful advertising opportunity. We offer four sizes of advertisements within our popular playbill. Audiences receive these playbills free of charge during each of our eight performances. **With prices unchanged in over 15 years, this is truly a bargain, as your advertisement will be exposed to a vast audience, which comes from the entire greater Pittsburgh region to see our award-winning productions.**

We sincerely thank you for helping to make our students ~~think very large thinks!~~ Your continued support and sponsorship of past Woodland Hills High School Department of Performing Arts productions makes you an integral and valued part of our success.

As you may know, we provide our sponsors with tickets to the Patrons' Night Performance. This year, that performance is Thursday, April 20, 2023 at 8:00 p.m. The Patrons' Night Performance has developed into a momentous event by serving as the exclusive premiere of our production's many elements: lights, costumes, sets, acting, dancing, and singing. We look forward to seeing you there!

Sincerely,

Andrea M. Sisk
