School Board Meetings

The Woodland Hills Board of School Directors holds two regularly scheduled meetings each month; both are open to the public. The second Wednesday of each month is an Agenda Setting Meeting. The third Wednesday of each month is the Legislative Meeting. All meetings are scheduled at the Woodland Hills Administration Building at 7:00 p.m. unless advertised otherwise.

Parent Alert System

Woodland Hills School District utilizes an up-to-date Parent Alert System to quickly communicate important information to parents. The Parent Alert System through Blackboard Connect is an elite, industry-leading, rapid communication service designed specifically for the Pre-K-12 community. With this system you will be notified of any time-sensitive information in the event of a lockdown, relocation, evacuation or other emergency, as well as changes in meeting times and other communication materials that parents need to know. Please keep the district updated with your current phone numbers so that you will not miss any important messages.

ACADEMIC PROGRESS

Promotion Guidelines

A student who successfully completes the school term in a Woodland Hills Pre K-5 school will be promoted to the next grade level. If a student has not made satisfactory progress, a decision to promote or retain the child in that grade will be based upon the best educational interests of the child. Retention of a student is an extremely individualized situation. Individual potential, social adjustment, and absentee rate, etc., are factors that need to be considered.

Parents will be notified when a potential retention is being considered as early as possible in the school term and invited to meet with school personnel.

Prior to retention, steps will be taken to identify and correct a child's areas of deficiency. Building staffing and adequate evaluations will occur during this period. The classroom teachers, RTI specialist, nurse, principal, school psychologist, and parents may be included in this process.

Grading System

Major Areas Assessed: ELA, Mathematics, Science, Social Studies, Music, Art, Physical Education/Health, and Characteristics of a Successful Learner.

Kindergarten through third grade students will receive a Standards Based Report Card. This report card provides parents/ guardians with a more detailed explanation of the skills their child is working to master. Rather than a traditional letter grade, progress will be measured using one of three qualifiers:

Exceeds Standard (E), meaning that the student has demonstrated mastery beyond grade level requirements;

Meets Standard (M), meaning that the skill has been mastered;

Progressing toward Standard (P), meaning that the student has yet to master the skill; and

Needs Improvement (N) meaning the student demonstrated minimal progress & is at risk of not meeting the grade-level standard.

Fourth and fifth grade students will use the grading scale listed below:

A - 100% - 90%

B - 89% - 80%

C - 79% - 70%

D - 69% - 60%

F - 59% - 50%

Marking Periods	Marking Period Ends	Report Card Distribution

2nd	January 19	January 31
3rd	March 29	April 6
4th	June 1	June 8

Grading Period

Parent- Teacher Conferences

ATTENDANCE

The Board requires that school age students enrolled in District schools attend school regularly, in accordance with state laws. The classroom environment is the most meaningful and essential component of the instructional process. Class absence limit opportunities for classroom interaction and participation in learning activities. Regular class attendance is an integral part of the student's educational program.

Definitions:

- Absence is defined as nonattendance in school, an individual class or combination of both situations.
- Unlawful Absence is defined as an unexcused absence under school policies or State Code. The district may file truancy charges with the local magistrate for students deemed unlawfully absent from school.
- Chronic absenteeism—or missing at least 10 percent of school days in a school year for any reason, excused or unexcused
- Truancy is defined as the occurrence of a child subject to compulsory school laws having three (3) or more school days of unexcused absences during the current school year. The district may file truancy charges with the local magistrate for students deemed truant from school.
- Habitual Truancy is defined as the occurrence of a child subject to compulsory school laws having six (6) or more school days of unexcused absences during the current school year. The district may file truancy charges with the local magistrate for students deemed habitually truant from school.

Types of Absences:

Excused – Absences for clearly established mental, physical, or other urgent reasons such as, bereavement, religious holidays or court appearances. The determination as to what constitutes an “urgent reason” under this policy shall be made by the building administrator. In the case of excused absences, the student will be expected to make up any assignments or tests that have been missed and, for this purpose, will be granted a period of time equal to the length of the absence.

The Board considers the following conditions to constitute reasonable cause for absence from school:

- * Illness
- * Quarantine
- * Recovery from accident
- * Required court attendance
- * Death in family
- * Family educational trips with prior approval of the Superintendent or designee
- * School District sponsored educational tours and trips

Limited removal of students from classrooms should be focused on supporting in-class efforts and facilitating return of the student to the classroom environment. More extended separations from classrooms are less preferred, should be occasioned only by continuing or serious behavioral problems, and should be associated with appropriate guidance or other referrals.

Clothing items borrowed from the clothing closet should be laundered and returned to the school office within a week. If your child has outgrown any clothing feel free to donate it to the clothing closet.

EMERGENCY CARE CARD

IMPORTANT: Please keep the school informed of changes or additions to the Emergency Care Card. These cards are kept on file in our office in case of an emergency. Please realize that your child will only be released to those persons identified on the Emergency Care Card. If someone else is to pick up your child, written notification must be submitted to the main office in advance. Those who are picking up children should have proper picture identification (driver's license, etc.). Telephone numbers at home and work should be kept current. Change of address must be changed at the District Administration Office. New health problems, allergies, etc. should be called in to the nurse during the school year. A student can obtain an "Emergency Care Card" from their teacher or in the school office.

EMERGENCY DRILLS

The school staff, teachers, and administrators are well prepared for a variety of emergency situations. Staff and students will participate in drills to practice emergency procedures.

Evacuations (including Fire Drills)

Evacuation / Fire drills are conducted in compliance with Pennsylvania School Law. Escape plans are posted in each classroom. Each class has an escape route to an outside area. Children are directed to these designated areas as soon as possible in a safe, quiet, and orderly manner.

Bus Evacuation

Periodically students will participate in bus evacuations. Proper procedures for safely evacuating the school bus in the event of an emergency are reviewed with students.

Other Types of Drills

Other types of drills are reviewed with students throughout the school year. These discussions may include severe weather, intruder, and lockdown procedures.

The District has trained staff with the principles of ALICE, which provides preparation and a plan for individual on how to more proactively handle the threat of an aggressive intruder. Whether it is an attack by an individual person, ALICE Training option-based tactics have become the accepted response, versus the traditional "lockdown only" approach.

EMERGENCY SITUATIONS

In an emergency, the district will utilize its mass notification phone messaging system. If an emergency would occur in our school, parents will be notified through the messaging system. The emergency alert will include basic information about the nature of the emergency. In the event of an evacuation, you will be notified of where the students are being transported and where you can reunite with your children. Depending upon the situation, we will establish a reunification point and notify you of the specific details.

How Parents Can Help in Emergency Situations

For the safety of everyone, parents are asked to wait for instructions from the District on how to reunite with their child.

- Please refrain from calling the school during an emergency.
- If a reunification is enacted, please pick-up your child at the reunification point. We understand that emotions are high, and we will follow our protocols to get the students to the reunification point as safely and quickly as possible. Arriving at the school may interfere with responders.
- We encourage parents to talk with their children about safety and emergency situations.

FIELD TRIPS

Field trips are scheduled by classroom teachers throughout the school year. These trips are designed to supplement different aspects of the classroom curriculum. Parents will receive notices of field trips in advance of the scheduled trip date and will be asked to sign field trip permission forms. Individuals who volunteer to chaperone field trips must follow the guidelines for clearances as set forth under Woodland Hills Policy No. 916 – Volunteers. The entire Woodland Hills Volunteer Policy is available online at www.whsd.net.

INSURANCE PROGRAM

This insurance plan explains how you can help guard against certain unexpected events. Plans are designed to help supplement any insurance you have by satisfying deductibles or co-insurance requirements or limiting the possible financial impacts of an injury if you have no other insurance. Remember that the more active your child is, the more valuable this coverage can be. More information is available online at www.whsd.net.

Standing orders are medical directives written by the school's physician. These orders may authorize administration of specific over-the-counter (OTC) medications such as acetaminophen or antacids and/or emergency medications such as epinephrine (Epi-pen) to students according to a defined protocol. Although parent/guardian approval (consent) is not needed for the administration of medications during a life threatening emergency, consent is required for the administration of over-the-counter medications.

School Health Record

A Pennsylvania Health Record is kept on file for each student. Information concerning the student's physical condition should be given to the school nurse by the parents or the family physician. Health records are **confidential**, and information is shared with professional staff on a need-to-know basis.

First Aid

A student who becomes ill or is injured at school will be cared for by the nurse. The parent/guardian will be contacted. If the parents cannot be contacted, the persons listed on the Emergency Care Card will be called. If necessary, local Emergency Medical Services will be contacted.

First aid in the school is limited to injuries that occur at school. (NOTE: INJURIES THAT OCCUR IN THE HOME ARE THE RESPONSIBILITY OF THE PARENTS/GUARDIANS AND MUST BE TREATED BEFORE SENDING THE CHILD TO SCHOOL.)

Transportation of ill or injured students is the responsibility of the parents.

Ambulance service in extreme emergencies will be at the expense of the parents.

Please keep the school nurse informed, if your child develops medical problems or conditions that require special attention. The physician should write information and directions to be sent to the school nurse so the school nurse can develop an individual care plan.

HOMELESS ASSISTANCE

In compliance with the federal McKinney-Vento Homeless Assistance Act, as reauthorized in 2015 by the Every Student Succeeds Act (ESSA), Woodland Hills School District is attempting to identify all children within the district that may be experiencing homelessness.

The term homeless children and youth is defined as individuals who lack a fixed, regular and adequate nighttime residence. This includes individuals:

- Sharing the housing of other persons due to loss of housing, economic hardship or a similar reason;
- Living in a hotel, motel, trailer park or campground due to lack of alternative adequate accommodations;
- Living in emergency or transitional shelters;
- Living in cars, parks, public spaces, abandoned buildings, bus or train stations or similar settings;
- Living in substandard housing (no running water or working utilities, infestations, etc...).

Children who are experiencing homelessness may qualify for assistance with free school lunches, school supplies/materials, tutoring and transportation so they can remain in their school of origin throughout the duration of their homeless episode.

If you believe your child(ren) may qualify for this service, please contact Kellie Irwin at 412-244-1100 ext. 5131.

If your living situation changes during the school year and you and your children become homeless, please be sure to contact the social worker at your child's school. We will work with you so that your child(ren)'s education is disrupted as little as possible.

PARENT-TEACHER ORGANIZATIONS

HUGS

H.U.G.S. (Helping Unconditionally by Giving Support) is a program of the Woodland Hills Foundation. H.U.G.S. volunteers are active in all buildings of the Woodland Hills School District in a variety of capacities - copying/laminating, lunchroom assistance, H.U.G.S. recess activities, supporting PTO/PTA events, etc. Wherever there is a need, teachers/administrators/parent groups/etc. can reach out to request volunteer assistance and H.U.G.S. reaches out to the pool of volunteers to fulfill those needs. H.U.G.S. also hosts a number of district-wide community events throughout the year, including Trunk-or-Treat and Drive-N-Dine. You can sign up to join at <http://www.whsd.net/Content/hugs>. Once you sign up, you will be notified of upcoming training dates. After attending a brief training session covering policies and how volunteering will fit into your schedule, you will receive a weekly email of all of the volunteer opportunities in the district. You can follow H.U.G.S. on Facebook at WHSD HUGS or contact them at volunteers@whsd.net.

PTA

PTA (Parent Teacher Association) is the building specific parent-teacher organization. PTA helps bring special activities to our students that are over and above what the school generally provides by offering a means of support through which the parents, school, and teachers can work cooperatively, as well as offering financial support for programs funded outside of the annual school budget. We hope that every family can help PTA make each year special for our students. Families can help by volunteering for events throughout the year and assisting with our fundraisers however possible. We welcome involvement in any capacity.

PARENT REQUESTS FOR CLASSROOM TEACHERS

Students will be assigned to heterogeneous classroom groups by the administrator and school staff. School staff considers many factors when making classroom assignments. For example, they consider range of academic abilities, social mixture, gender balance, individual learning styles, student personality and interaction, students benefiting from being together or separated, overall student behavior, student/teacher considerations, class size, etc. The objective of this process is to produce a well-balanced "workable" classroom. These decisions for classroom placement contribute significantly to the creation of a positive classroom environment, which enables

students to function to the fullest of their abilities. Please rely on our professional judgment, and trust that we will group and provide children with the best possible learning environment. Students and parents will be informed of class assignments in August.

PARTIES

We enjoy honoring students on their birthday by announcing their name on the morning announcements. **Please do not send cupcakes, doughnuts, sheet cakes, or pizza for your child's birthday treats.** Items that are individually wrapped such as goldfish are acceptable. Please check with your child's teacher for any allergies of students in the classroom.

We are strongly encouraging families to send non-food items on birthdays. Instead of a food item, please consider sending something for the class to enjoy such as:

- A game for the classroom
- A classroom book (A nice touch would be having your child pick it out, sign it, and date it.)
- A classroom set of items for each child to keep such as pencils, pens, erasers, markers, etc.

Please refrain from sending invitations to parties to your child's classroom unless **all students** in the classroom are invited. Invitations must be given to the classroom teacher to be passed out to children as they dismiss. Addresses and phone numbers of employees and students are private and will not be provided to parents. Please do not send flowers or balloons or gifts to your children at school.

PHOTO RELEASE

Use of Student Photos

Use of Student Names/Photos: The District procedure regarding the use of student photographs for news releases, brochures, the website, the community magazine, "In Woodland Hills," and on the Internet requires a WHSD signed permission form. A permission form will be sent home to be signed by a parent or guardian and returned to the child's school no later than the end of the first week of school. If this permission form is not on file, then your child's photograph will not be used to promote the District or individual student achievements and your child will not be able to use the Internet while at school. The District requires that this permission form be signed every year.

Parents/Guardians may request an evaluation at any time. The parent/guardian request must be in writing. If a request is made orally to any professional employee or administrator, that individual must document the request and ask for the request in writing. Once the request is made the school psychologist shall provide a permission to evaluate form to the parents/guardians within ten (10) calendar days of the oral request.

WOODLAND HILLS SCHOOL DISTRICT PUBLIC NOTICE SPECIAL EDUCATION

Woodland Hills School District provides a free, appropriate, public education (FAPE) to exceptional students consistent with the Individuals with Disabilities Education Act (IDEA) of 2004 (P.L. 108-446) and Reauthorization 2006. To qualify as an exceptional student, the child must be of school-age, in need of specially designed instruction, and meet eligibility criteria for one or more of the following physical or mental disabilities: Autism, Deaf-Blindness, Deafness, Emotional Disturbance, Hearing Impairment including Deafness, Intellectual Disability, Multiple Disabilities, Orthopedic Impairment, Other Health Impairment, Specific Learning Disability, Speech or Language Impairment, Traumatic Brain Injury, Visual Impairment including Blindness, and in the case of a child that is of pre-school age, Developmental Delay.

Identification procedures ensure that eligible students receive an appropriate program consisting of individualized special education and related services. At no cost to parents, these services are provided in compliance with local, state and federal laws and planned to ensure meaningful educational benefit and student progress.

To identify students who may be eligible for special education, various screening activities are conducted on an ongoing basis. These screening activities may include: hearing, vision, physical and speech/language screening; a review of group-based data (cumulative academic records, ability and achievement test scores, enrollment records, report cards, and health records); and a review by the building-level team. When screening results suggest that a student may need special education services, Woodland Hills School District will, with written parent consent, conduct an evaluation. Parents who suspect their child may need special education services may also submit a written request for an evaluation to the school principal in any of our school buildings.

Services designed to meet the needs of exceptional students include: a timely evaluation and the annual development of an individualized Education Program (IEP). Parents are considered to be an integral and equal partner in the IEP process. We strongly recommend that you should be present at IEP meetings. Woodland Hills School District will make every effort to ensure parent participation and satisfaction.

The extent of special education services and the location for the delivery of those services are determined by the IEP team and based on several factors, primarily upon the student's identified needs and abilities. Consideration is also given to the student's chronological age and level of intensity of the specified intervention. The district provides supplementary aids and services, such as transportation, physical therapy and occupational therapy, as necessary for the student to benefit from the special education program.

Parents may obtain additional information about special education services and programs and parental due process rights by contacting the child's school principal or the Special Education Office at 412-731-1300 ext. 0147.

RECESS

Weather permitting, students have an outdoor recess period each day. Decisions to have outside recess during the cold weather depend upon the temperature and the wind chill factor. Shorter outside times are scheduled on very cold days. Always dress your child for outside recess. Students will have supervised free time in the classroom on days when inclement weather prevents outside recess. The staff in charge permits games, reading, or other activities.

TITLE I PROGRAM

What is Title I?

According to the PA Department of Education, Title I is a 100% federally funded supplemental education program that provides financial assistance to local educational agencies to improve educational opportunities. Title I programs are designed to help children meet the state content and performance standards in reading, language arts, and mathematics.

The Title I Reading program includes administrators, teachers, and parents working as a team to accomplish the following:

- identify students most in need of help in reading related areas;
- set goals for improvement;
- measure student progress
- develop instruction that adds to or supplements the regular classroom instruction;
- involve parents in all aspects of the program;
- create successful reader who see the value and experience the pleasure of reading

Parent Right to Know

Your child attends a school which receives Federal Title I funds to assist students in meeting state achievement standards. This is to inform you about your right to request information about the qualifications of the classroom staff working with your child. We are happy to provide this information to you. At any time, you may ask:

(1.) Whether the teacher met state qualifications and certification requirements for the grade level and subjects taught by that teacher , (2.) Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, (3.) and what undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

SAFE SCHOOLS

The primary responsibility of the Woodland Hills School District is the education of its students in a safe school environment. Collaboration between members of the entire school, parents, and the community is critical to this safe school effort. Parents are encouraged to check their child's backpack daily – not only for school communication but to ensure that inappropriate items are not carried to or from school.

Students are urged to report concerns about safety to their parents and teacher. If your child is being bullied, teased, threatened, or feels left out, please contact the teacher and the principal. Every effort will be made to address these issues.

Parents, please be advised that during school hours all outside doors of the school will be locked. In order to gain admittance into the elementary buildings, you must check in at the main entrance of the school.

SCHOOL CLOSINGS- SNOW DAYS / INCLEMENT WEATHER

When weather conditions are questionable, check the district website, local news, or building Facebook pages for all weather-related delays/closings.

SCHOOL PICTURES

Individual student pictures will be taken near the beginning of the school year, usually in September. Make- up day for absentees occur at a later date. The purchase of student pictures is optional.

TESTING

Assessment tests are also administered during the school term. The results of these tests provide a continuing record of each child's academic progress in comparison with national norms. They are also an invaluable aid to teachers and counselors in diagnosing strengths and weaknesses in order to provide more effective individualized instruction. Among the various tests administered are the MAP and benchmark assessments. Students in grades 3 thru 5 participate in the Pennsylvania System of School Assessment (PSSA), which assesses students in reading and mathematics. Students in grade 4 also participate in PSSA science assessment.

The scores of these tests will be checked carefully and maintained in the school record as long as the child attends schools in Woodland Hills. No individual or agency outside of the school system will be permitted to inspect the child's record without written parental permission. Should parents wish to examine their child's record file at any time, they may arrange to do so by making an appointment with the school principal, teacher, or counselor. Specific information concerning tests may be obtained through the building principal.

VALUABLES

School personnel cannot be responsible for valuables that students bring to school. It is recommended that students leave all valuables at home. If circumstances make it necessary for a student to bring money (e.g., lunch money) or other important possessions to school, students are responsible for these items.

VANDALISM

Our school and school equipment are public property. Willfully damaging or destroying this property is cause for immediate disciplinary action, which may include suspension. The school requires that students who damage property or equipment pay for damage. If a student accidentally causes damage, it should be reported to the classroom teacher or principal, so that the damage is not misconstrued as vandalism. (CARE OF SCHOOL PROPERTY POLICY #224)

VISITING SCHOOLS

All visitors are to report to the building office to register before proceeding to their destination in the building regardless of whether prior approval for the visit has been given.

Raptor Visitor Management System

All school visitors will be asked to present identification, such as a driver's license, which will pass through a scanner. Parents and other volunteers who visit regularly or participate in field trips only need to do this once. If you don't have government-issued identification, we will enter the information manually. Within a few seconds, the Raptor system will check a visitor's name and date of birth against a national database of registered sex offenders to ensure that offenders aren't entering a school without our knowledge. No other information from the ID will be gathered or recorded.

Once an entry is approved, Raptor issues a visitor badge. Should the system find a match in the offender database, however, the school administrative assistant will receive a notification but no details. Only the assistant superintendent of human resources will have access to the results.

VOLUNTEERS

The Woodland Hills School District approves and encourages the use of volunteers in our elementary schools. Each school administration has the responsibility to direct and monitor individuals working with students. Parent and community volunteers work under the direct supervision of principals and teachers.

Individuals who would like to volunteer in our schools or with our students should contact the principals of the individual schools to offer their services. Many volunteers, especially those working in classrooms or directly with students, must have the following three clearances before they can volunteer: **PA Acts 34 & 151 Clearances** and an **FBI Federal Criminal History Clearance**. Information about these clearances, how to obtain them, and the costs associated with them can be found on the District website (www.whsd.net) under the Employment Opportunities tab. Interested individuals can also call the school principal or call the District Personnel Department at 412-731-1300, extension 0114.

In addition to working with students in our schools, there are booster organizations that utilize volunteers such as the school PTO/PTA, the Woodland Hills High School Band Parents Organization, the Wolverine Football Boosters Association and the booster groups for various varsity sports teams. Volunteers for these groups should also follow the District volunteer procedure.

Outside organizations such as OASIS and H.U.G.S. that have volunteers who work in our schools under the direction of school principals must also have clearances. Parents and guardians who help with annual activities, such as school fun days or classroom parties, are not, at this time, required to have the volunteer clearances. If you are interested in sharing your time and talents with our students, please contact the school principals to determine if you will need to obtain the proper clearances.

WHO TO CONTACT

When parents have questions about the operations of the schools or concerns with the education of their child, it is important that those questions be properly answered in the most expedient manner possible. For that reason, it is imperative that the chain-of-command be followed when attempting to resolve problems that may arise during the school year.

Problems are best solved at the level where they initially occur. To provide parents with proper information, it is recommended that discussion take place on a one-to-one basis with the person directly involved. To facilitate communications between the school community and home, there must be mutual support, trust, understanding and openness. The following guidelines are suggested for students and parents when questions and problems need to be addressed within the Woodland Hills School District.

- Contact the teacher first and schedule a meeting or a telephone conference.
- Problems not resolved at the teacher level should be taken to the assistant principal or building principal.
- Concerns with testing should be addressed to the student's principal.
- Concerns not resolved through the above channels should be referred to the Superintendent.

WITHDRAWALS

The school should be notified in advance of any students who are moving. This allows teachers and staff to summarize the student's progress and prepare the student's file to be forwarded to the next school of enrollment.
