

# How to start coursework: GENIUSSIS

<https://waterfront.geniussis.com>

Allegheny Intermediate Unit  
Services, Resources and Research for Education

### WELCOME TO WATERFRONT LEARNING!

We are happy you have decided to join us, and we are looking forward to providing you with a comprehensive and rewarding learning experience.

For parents and guardians, creating your account is the first step. A valid student, parent, and school counselor telephone number, address, and email must be provided. Once you have your account, you will be able to login and create an application online for your student.

You can utilize this account to log in and complete an application, request courses, and make payments. In addition, once your student's enrollment has been processed, this account will allow you to monitor progress, attendance, teacher communications, and grades.

**Note:** By completing and submitting an online application for a student you are agreeing to the following Waterfront Learning terms and procedures:

- Students must have daily access to a computer with high-speed Internet service.
- Payment must be made in full at time of enrollment. No refunds will be granted for any reason.
- The program may ask for additional information to confirm appropriate enrollment for students.
- NCAA eligibility must be indicated. Given the fluctuation in NCAA regulations, there is no guarantee of NCAA course approval.
- Waterfront Learning recommends a two course total enrollment maximum for summer programs.
