

**Woodland Hills School District
Title I Home/School Compact 2014-2015**

Education is a joint responsibility of the school and the home. To insure that the interests of each are served, it is important that we develop and maintain a program of communication and cooperation between the home and the school. This agreement is a first step in that program.

SCHOOL

The administration and teaching staff will:

1. Strive to be aware of the individual needs of each child.
2. Reinforce/strengthen each child's reading/math concepts and skills.
3. Regularly communicate with parents/caregivers regarding their child's progress.
4. Organize and notify parents/caregivers of opportunities to discuss the program and contribute suggestions for improvement.

HOME

My child's school years are very important. I agree that his/her achievement and attitude will be enhanced by my participation. Therefore, to the best of my ability, I will:

1. Make sure my child gets enough sleep each night.
2. Make sure my child is at school on time.
3. Give my child a quiet place to study and/or do homework.
4. Review my child's assignments/work with him/her daily.
5. Check that my child's homework is completed.
6. Spend at least 15 minutes a day reading to/with my child.

I plan to attend open house (September 24, 2014), parent conference, November 6, 2014 and March 19, 2015, and Title I parent meetings.

(Please check) YES NO

STUDENT

Education is important to me. It will help me become a better person. I know my parents/caregivers will help me, but I have to do the work. I agree to:

1. Be at school on time unless I am sick.
2. Take responsibility for my behavior.
3. Pay attention in class and do my work.
4. Complete my class work on time.
5. Return corrected work to my parent/caregiver.
