Student Handbook Introduction

The purpose of the Student Handbook is to give school district students and their parents/guardians an understanding of the general rules and guidelines for attending and receiving an education in our schools.

In a case of conflict between a board policy and the provisions of this handbook, the board policy most recently adopted by the board will prevail.

Students and parents/guardians should be aware that the document is reviewed annually, because policy adoption and revision is an ongoing process. These changes generally will supersede the provisions found in the handbook, which will become obsolete by the newly adopted policy. The handbook is not a contract between the school and parents/guardians or students. It can be amended at any time at the discretion of the Woodland Hills School District. If policy changes are enacted during the school year, the administration will communicate those changes to students, staff and parents/guardians.

Mission Statement
It is the mission of Woodland Hills Senior High School to prepare students to meet the demanding expectations of an ever-changing and challenging world. LETTER FROM THE PRINCIPAL

Dear Students:

Greetings to the Woodland Hills Community,

On behalf of our administration, faculty, and staff, we welcome you to Woodland Hills High School.

Our district was created under the ideal that every student deserves access to a quality education and we strive to provide our students with such opportunities every day. I know firsthand that a successful educational experience integrated with hard work and perseverance are necessary to overcome life’s adverse circumstances. From this perspective, I wish to motivate our students to take advantage of all that is offered academically, athletically, and socially in our building and in our community.

Woodland Hills High School has cultivated many academic, athletic, and artistically successful students in its short history. As we continue to heal from tragedy, hardship, and negative publicity, we are working hard to accentuate the success of the students and positive aspects of our school and community as well as make the necessary changes to ensure all our students can be successful. Our plan is built around initiatives to increase student attendance and academic performance, establish a culture of trust, support, and accountability, and provide learning opportunities that challenge and encourages students to exceed expectations. We believe the plan is creating an educational environment that will empower 21st century learners who are college and career ready.

To support our goals, many new initiatives and programs have been established, including new systems that encourage students to begin thinking about their futures early in their high school careers. Using the Career Pathways model as a guide, students can schedule courses based on their interests and goals post-graduation. Our students have extensive options to choose from, as Woodland Hill High School offers 16 AP courses and 13 honors courses while College in High School allows current high school students to take classes for college credit. Beginning sophomore year, students may take the PSAT, SAT, and ACT right on campus. For students interested in pursuing a technical career, Forbes Road is an available option for students as young as 10th grade. We believe that it is extremely important for our students to be exposed to all options that await them after graduation. To encourage such exploration, we invite alumni volunteers and community members to speak with our students about their career paths and industries and we take our students on a plethora of two and four-year college campus and career training site tours. Our students also have access to the College & Career Center, a space where they can receive assistance with the planning process, applying to schools, and completing college and scholarships applications.

In addition to curriculum and instruction, we are working tirelessly to improve student to student and student to teacher relationships to create a safe and productive learning environment. This year our teachers began incorporating Restorative Justice Circles in their classrooms. The circles give students the opportunity to speak candidly about issues that concern them while connecting and building relationships with their peers. Our teachers and staff have also been working to improve relationships with students through Implicit Bias Training through the Center for Urban Education (CUE) at the University of Pittsburgh. We realize that creating a culture of trust is paramount to academic, social,
and emotional growth. Using Positive Behavioral Intervention and Supports (PBIS), we aim to instill in our students the habits and behaviors that will make them successful once they graduate. We have introduced “The 5 P’s” and we ask our students to be prompt, prepared, polite, productive, and proud as well as Wolverine Work Wednesday (WWW) which is an opportunity to celebrate students and staff who demonstrate these positive behaviors at school and in the community. The above programs are all an addition to our successful athletic, music, gifted, and art departments. We are very proud of our athletic teams, particularly the varsity basketball, football, rifle, swimming, track, and bowling teams who make WPIAL playoff appearances every year, our music department, home to 228 Gene Kelly nominations and 110 Gene Kelly Awards, and our gifted department who consistently places in the Hometown IQ Competition, Science Bowl, and Science Olympiad.

Bright and talented students are in abundance at Woodland Hills High School and we hope to promote their stories and success using social media and school wide recognition initiatives. We want everyone in the Woodland Hills community to share in the joy and excitement our students provide us every day.

I am honored to be the Principal of Woodland Hills High School and look forward to supporting promoting a culture of hard work, academic success, and personal growth to our very deserving students. WE ARE THE CHANGE. “BE THE LIGHT”

ACADEMICS

Class Participation Grades – 9-12

Research shows that a strong correlation exists between a student’s attendance and academic achievement. A successful completion of a course is much more than merely passing exams. Exam grades verify that a student has learned a measured amount of information during a grading period, but exam grades do not measure the total amount of learning acquired during a grading period. Daily classroom interactions and experiences complete the learning process. The daily instructional activities and interactions between teachers and students are invaluable. They can never be duplicated exactly in any other manner. For these reasons, a daily classroom participation grade will be given in all courses. Students will earn course points for each day of attendance and participation.

In total value, the class participation grade will be approximately equal to a major exam grade, or project grade in each grading period following procedures established by the classroom instructor. Students who have excused absences will not be penalized by losing participation points.

Course Registration Information

Students are expected to make course selections with care and in consultation with parents, guardians, teachers and counselors.

1. All students must maintain a minimum schedule of classes each semester of 34 periods/wk.

2. Schedule changes during the first semester will be limited to those students that eliminate schedule conflicts or adjust a schedule upward to meet graduation or periods-per-week requirements. NO CONVENIENCE CHANGES WILL BE MADE. Final approval for changes will be made by the Principal.

3. In selecting a course, a student is making a commitment to the entire length of the school year or semester, if applicable. A student will receive two 9-week grades and mid-term exam grade in a semester course. A full-year course includes four 9-week grades, mid-term exam and a final exam grade.

4. Students are required to monitor their schedules and graduation requirements to be certain they are scheduled for all their required courses for graduation.

5. All students will be required to satisfactorily complete regular or adapted physical education.

6. All students are required to pass all CORE classes during each of their high school years (grades 9, 10, 11, 12). Those students who fail will be expected to attend a summer school program approved by Woodland Hills Junior Senior High School administration in order to make up the deficiency.

7. Grade level standing will be determined by completion of the following number of credits:
GRADE LEVEL | COMPLETED CREDITS TO MOVE TO NEXT GRADE LEVEL
--- | ---
9 | 5
10 | 12
11 | 19
12 | 25

*All students need a total of 25 credits for graduation.

Grading Scale

- 90% - 100%  A
- 80% - 89%  B
- 70% - 79%  C
- 60% - 69%  D
- 50% - 59%  F

*Forbes Road students will receive a grade from Forbes every nine weeks.

Grading System

Teachers are required to inform all of their students of the grading and evaluation procedures that will be used in all of their classes. This will be accomplished via oral and written communication. Parents/Students can also monitor grades using the district adopted online grade book for which every student will have a username and login provided to them.

Teachers will call the parent/guardian of any student in danger of failing for the grading period in sufficient time for the student’s parent/guardian to make the necessary academic changes in an attempt to pass the class.

*The parent/guardian of all students dropping two or more letter grades must be called by the issuing teacher prior to the close of the grading period.

Honor Roll

- Distinguished Scholar  4.00 +
- High Honors 3.50-3.99
- Honors 3.00-3.49

*Students cannot be on the Honor Roll if they: (1) have incomplete grades; (2) received any grade below 70; (3) are in violation of the district’s attendance policy.

Mid-Term and Final Exams

The average of the 9-week grades will be equal to 90% of the final grade.

There will be a mid-term and final examination given for all courses offered at Woodland Hills Senior High School. The mid-term and final examination will each count for 5% of the final course grade.
Plagiarism

Plagiarism is the act of intentionally or unintentionally treating work done by someone else as though it were your own. Plagiarism is a very serious offense that usually warrants a very serious penalty, such as loss of points, a failing grade or loss of course credit.

1. **DO NOT** use exact words from a source without putting them inside quotation marks and giving credit to the source.
2. **DO NOT** reword a passage without giving credit to the source.
3. **DO NOT** summarize a passage without giving credit to the source.
4. **DO NOT** use statistics without giving credit to the source.

Students who engage in plagiarism or are in violation of the Plagiarism Policy are subject to disciplinary action that may include, but not be limited to, the following: a grade of zero for the assignment, or a failing grade for the grading period, suspension, and/or recommendation for expulsion from the school district.

Progress Report Distribution Dates for 2019-2020

Approximately, September 27, 2019, December 10, 2019, February 25, 2020, and May 7, 2020 students will receive their printed progress report before they leave school.

- All students graduating from Woodland Hills Junior Senior High School must complete a graduation project that fulfills the requirement of the Woodland Hills School District and Woodland Hills Senior High School.
● All obligations must be cleared by the designated date (return all textbooks, athletic equipment, library books, detentions, suspensions, monies owed). All obligations must be paid by cash or money order by May 22, 2020, but not later than two school days before commencement.
● If a student is under a suspension, he/she will not be eligible to participate in the ceremony.
● A student will be denied participation in the graduation ceremony by administrative action when personal conduct so warrants or the student has failed to meet all of the graduation requirements.
● Students are to dress appropriately for the commencement ceremony. Girls are to wear a white, crème or ivory colored dress and shoes. Boys are to wear a white shirt with a black tie, black or dark colored trousers, black socks and black or dark colored dress shoes. Girls will be wearing white commencement gowns and boys will be wearing black gowns, however, they are very sheer and will show patterns and colors through them which necessitates the dress requirements to ensure a professional looking ceremony. This is a once in a lifetime milestone!
● Graduation Caps may be decorated upon Administrative approval.

Report Cards

Every nine weeks students will receive report cards to inform them and their parents/guardians of progress in each subject. The report card will have a percentage mark and a teacher comment. Report cards will also list attendance and tardiness.

Report Card Distribution Dates for 2019-2020

On November 14, 2019, February 5, 2020, and April 15, 2020 students will receive their printed report cards before they leave school. The report card for June 10, 2020 will be mailed home and may include information and options for credit recovery if necessary.

**Hazing Policy**

It is the policy of Woodland Hills Junior Senior High School that its school will provide a safe, orderly, civil and positive learning environment, Hazing has no place in the school and will not be tolerated. Accordingly, Woodland Hills Junior Senior High School adopts the following policy and procedures to prohibit hazing and will ensure the enforcement thereof.

“Hazing” is any act committed by a person, whether individually or in concert with others, against a student in connection with action or activity related to becoming a member of an organization, whose members primarily are students of Woodland Hills School District (i.e., athletic teams, clubs, cheerleading, band), and which is intended to have the effect of humiliating, intimidating, or demeaning the student or endangering the mental or physical health of the student. “Hazing” also includes soliciting, directing, aiding, or participating actively or passively in the above acts. Disciplinary action for hazing will be taken whether the hazing occurs on or off school grounds.
Examples of hazing include but are not limited to:

- Any type of physical brutality such as whipping, beating, striking, branding, placing a harmful substance on or in the body, or other similar activity.
- Any type of physical activity such as sleep deprivation, exposure to the elements, confinement to a small space, or other activity that creates or results in an unreasonable risk of harm or that adversely affects the safety of a student.
- Any activity involving consumption of food, liquid, alcoholic beverage, drug, or other substance that subjects a student to an unreasonable risk of harm.
- Any activity that induces, causes, or requires a student to perform a duty or task which involves the commission of a crime or an act of hazing.

**Hazing Reporting**

Students who have reason to believe that an incident of hazing might or did occur shall report such belief to any coach of any extracurricular team, teacher, school nurse, guidance counselor, or school administrator. Staff members who have received such a report from a student or who otherwise have reason to believe that an incident of hazing might or did occur shall report such belief to the high school principal, or, in the event of the unavailability of the principal, any other school administrator. The report may be given in writing or orally. If the report is made orally, the receiver shall make a written record of the incident.

It shall be a violation of this policy for a person to retaliate against any student or other person for reporting a suspected incident of hazing or cooperating in any investigation or disciplinary proceeding regarding an incident of hazing.

If the investigation concludes that a student committed an act of hazing or otherwise violated this policy, that student shall be subject to appropriate disciplinary action including, but not limited to, suspension, expulsion from extra-curricular activities and/or from school, and notification to proper law enforcement agencies.

If the investigation concludes that two or more students from the same organization, athletic team, or other extra-curricular activity directed, engaged in, aided or otherwise participated in actively or passively an incident of hazing, disciplinary action may be imposed against the team or activity, including cancellation of one or more athletic contests or the entire athletic season.

**Meeting Times**

Class clubs or other extra-curricular activities excluding sports should be concluded by 3:40pm unless an extension of time is granted by the administration. Sponsors must be present for all activities. All students must have bus passes signed by the sponsor to ride the Activity Bus.

**School Social Events**

*Homecoming, Prom, Senior Dinner/Dance*

(Any other Social Events sponsored by the Senior High School)
When the dance/social event is on a school day, the attending students must be in school on the day of the event in order to be eligible to attend. If the dance/social event is on a non-school day the student must be present the day prior to the event. All day attendance is required on these days. If a student is suspended or has failed to fulfill detention obligations, he/she will not be eligible to attend or participate in a school event.

Students must be high school students (grades 9-12) or high school graduates or in the appropriate grade as indicated by the grade level administrator. Students from other high schools will need a signed permission slip from their school's principal. Students from other schools on academic probation or with attendance or behavior issues will not be permitted to attend. Students who are not attending high school or have dropped out of high school and have not earned a GED are not eligible. The maximum age for non-high school students attending the dance/social event is 20 years old. All school rules will be in effect during the dance/social event.

If your date is not a Woodland Hills High School student, you will be responsible and liable for their actions. All non-Woodland Hills students will be required to complete a permission slip. Guests of Woodland Hills' students are required to abide by all school rules and policies. All dance/social event permission slips will be verified by a telephone call from the high school office. The prom is a formal event. Students and guests are expected to dress appropriately for this formal event and exhibit behavior reflecting the dignity of this prestigious affair. Hats, canes, radios, headphones, gym or tennis shoes, sandals, and jeans are not permitted. Follow the appropriate formal dress guidelines, including dress shirts with ties for men and non-revealing dresses/gowns for women. Students are expected to dance in an appropriate manner. Any student who does not conform will be subject to disciplinary action by the administration and asked to leave the dance without refund of ticket cost.

**ATTENDANCE**

Nation-wide educational research shows that regular school attendance with very limited absence have a DIRECT CORRELATION to increased student achievement. Woodland Hills Senior High School's attendance vs. academic performance data also reflects that INCREASED STUDENT ATTENDANCE LEADS TO INCREASED ACADEMIC ACHIEVEMENT.

The attendance policy is adopted in recognition of the relationship between attendance and learning. Real learning and development are less likely to occur when there are inadequate opportunities for interaction between students and teachers. The following sets forth the consequences of failing to meet acceptable attendance standards:

**Compulsory School Attendance Law**

In Pennsylvania all children of “compulsory school age” must attend school. Failure to do so will result in disciplinary consequences:
FIRST OFFENSE: When a pupil has three days or equivalent of a verified unlawful absence, a first offense notice will be served on the parents.

SECOND OFFENSE: If additional unlawful absences occur, a second offense notice will be turned over to the magistrate for each additional absence.

The front office will keep an accurate record of absences as required by the Compulsory Attendance Laws of Pennsylvania. In order to do so, the parent/guardian must complete a student excuse form for every full or partial day of absence. This includes being tardy to school and early dismissals from school. For convenience, these forms have been included in the appendix of this handbook.

Student Absence Report

Parents/guardians shall furnish a written explanation (Student Excuse Form) for the absence of a child. An unexcused absence for any pupil under the age of seventeen (17) is, by definition, an unlawful absence. A legal excuse is the parents/guardians only protection from arrest. In the case of arrest, the burden of proof is upon the parent/guardian to show that the absence of the child was properly excused by an Administrator or the Board of School Directors. In the case of chronic absence, school authorities may request a physician’s statement showing such absence to be justifiable. Any student not following the procedures listed below may be subject to disciplinary actions.

- The Student Excuse Form must state the reason for the absence, must list dates of the absence, and must be completed and signed by a parent/guardian.
- The Student Excuse Form for an absence must be submitted to the front office within three (3) days after returning to school.
- A student who forgets his/her Student Excuse Form must report to the front office or clerk for a temporary admittance pass.
- Students are not permitted to write their own Student Excuse Form regardless of their age.
- If a student reports to school after first period, following a day of absence or tardiness, he/she must report to the front office for an “admission to class” pass.
- Teachers will take attendance in all classes, with the official attendance for the school day taken during the first period. Teachers must keep accurate attendance by day and date for each of their assigned students. Teachers must report, in writing (referral form) to the principal’s office any student that leaves the class without permission. This report must be sent to the office immediately.
- Parents/guardians will receive an automated call for each day their child is recorded as tardy and/or absent. Errors should be reported immediately. The parent must complete a Student Excuse Form. Paper forms can be found in the appendix of the student handbook.
- A student who expects to represent the school or a school organization in a function at night or after school hours must be in attendance the entire day of the scheduled activity. This policy applies to sports, plays, assemblies and other such activities. If the scheduled activity is on a Saturday, the student must be present in school all day on Friday. Students are not permitted to
attend school functions if they are not in school the day of the activity.

**Doctor’s Student Excuse Form**

A Doctor/Physician’s statement will verify an illness-related absence as being excused. A doctor’s excuse must be submitted to the front office within three days of the absence. Doctors’ excuses will not be accepted under any circumstances after three days.

**IN ALL CASES, THE STUDENT EXCUSE FORM MUST BE SUBMITTED WITHIN THREE (3) SCHOOL DAYS AFTER RETURNING TO SCHOOL.** Any Student Excuse Form submitted after three (3) school days must be approved by the building principal or his designee.

A doctor-issued medical excuse for Physical Education must be submitted within five (5) days of the excuse or absence.

**Leaving School Early**

Students who are injured or ill must be signed out by the school nurse. Teachers will be notified daily of early dismissals. Teachers are not to excuse students unless the excuse is signed by a principal. There are times during the school year that students must be excused for appointments such as doctor, dentist, or other professional appointments. Student will be excused with prior approval from the office.

**Tardiness to School**

If a student is tardy, he/she must have an admit slip issued by an administrator. **Tardy is defined as not being in 1st period class by 7:00am. STUDENTS ENTERING TARDY TO SCHOOL WILL WAIT IN THE AUDITORIUM UNTIL THE START OF PERIOD 2 TO MINIMIZE DISRUPTION OF THE EDUCATIONAL PROCESS. DURING THIS TIME THE USE OF CELL PHONES ARE NOT PERMITTED AND MUST BE TURNED IN TO THE SUPERVISING TEACHER UNTIL THE END OF THE PERIOD.**

Students who are found to be consistently or habitually tardy will face disciplinary consequences from Administration.

Students coming into school after 10:45am will not be admitted to school since this constitutes more than one-half of the school day. If extenuating circumstances prevail, the building administrators have the discretion to admit the student. Parents of students with a serious problem of tardiness to school and/or class may be contacted and scheduled for a conference with the teacher and counselor and/or administrator to evaluate the problem.

ALL teachers will record the student’s daily absence by time (if necessary) and date. Students are encouraged to check with their teachers in cases of dispute regarding daily attendance recording.

**Questionable Absences**

The fact that a parent/guardian has submitted a written (Student Absence Report) explanation does not automatically mean the absence is **EXCUSED**. Cases of erratic or patterned absences will be called **QUESTIONABLE**. The parent/guardian may have to supply additional supportive documentation to the building principal for review. If this is not done, the absence or absences will be called **UNEXCUSED/UNLAWFUL**.
Tardy to Class

If a student is late to class the classroom teacher will notify the student of their tardiness. Chronic tardiness will be referred to the office for discipline. Discipline can range from detention to suspension, based on students past disciplinary report. Teachers must notify the parents when students are constantly late to class and when a referral is sent to the office.

Make-Up Work

On your return to school following an excused absence, it is the student’s responsibility to contact teachers regarding assignments and tests that have been missed. Since success in current work depends upon knowledge of previous lessons, make-up work should be completed as soon as possible. Individual teachers will notify students of class procedures regarding make up work.

GENERAL INFORMATION

Academic Integrity

Students will assume full responsibility for their academic work. Students should not attempt to lie, cheat, or display any other acts of academic dishonesty during the course of the school year. Some examples of academic dishonesty are as follows but not limited to:

- Taking and/or transmitting pictures of assessments
- Copying another student's work with the intent of submitting it as one’s own
- Asking for or disclosing testing materials
- Using "cheat" sheets
- Utilizing a calculator or other electronic device against teacher direction
- Willingly sharing your work with another student when expected to work individually
- Using work in multiple classes unless given permission by the teacher(s)

If a student is caught displaying academic dishonesty, they will be subject to disciplinary action by the teacher and/or administrator.

Other announcements concerning students may be included on the faculty bulletin. It is the student's responsibility to attend to announcements pertaining to them.

Assemblies

Throughout the year assembly programs are presented for your education and enjoyment. A section will be reserved in the auditorium in which you are to sit with your assigned teacher. Seating arrangements for special assemblies and those held in the stadium or gymnasium will be announced.
Assembly Behavior

Breakfast

Breakfast is available to all Woodland Hills Senior High students. Students have access to a Grab and Go Breakfast each morning upon entering the school. Students will receive a bagged breakfast once they enter the building. Students may stop at their locker and then report directly to class. Late passes will not be issued for socialization or loitering. Teachers will not turn away a late student. If a student arrives late to first period without a pass, they will be admitted as tardy and referred as necessary to administration.

Lunch/Cafeteria Room Procedures

Students are assigned to a lunch period each day in the school cafeteria, unless the student elects to take another class. Students are required to go to the cafeteria and remain there during their respective lunch periods. Only students on the assigned “lunch buddies” list or with a pass from a staff member will be excused from the cafeteria. Lunch periods allow ample time for students to eat their lunch and have some time left for relaxation and socializing in the cafeteria. No student is permitted to leave school grounds during the lunch periods. Students are not permitted to bring any glass or breakable containers into the building.

The following rules apply while in the cafeteria:

- Students are only to attend their scheduled lunch period.
- All students in the cafeteria should be seated in a chair at a table unless they are in transit. The aisles must be kept clear for safety and mobility. Students must have their legs under the tables — not in the aisles.

*Students, who do not follow the cafeteria rules, may be sent to a designated area or may be given assigned seats.*

Lunch Identification

Student lunches are accounted for by student ID number. Students are responsible for their ID numbers throughout the year. Students are not to share their ID number with other students.

Lunch Snackline

The a la carte snackline is for students assigned to lunch at that time. No student is to stop in the cafeteria at unassigned time to buy snacks. The a la carte snackline opens 10 minutes after the designated lunch begins and closes 10 minutes before the lunch period concludes. Students must consume all snack/drinks during their lunch period. No food or drink is to leave the cafeteria. Snackline may be closed due to disruptions at staff discretion.

Cell Phones

Cell phones are permitted in the building. Cell phones may be utilized in class for educational purposes at the discretion of the classroom teacher as long as a management plan is in place and communicated to students in the classroom. Woodland Hills School District assumes no responsibility for lost, damaged, or stolen cell phones/electronic devices. Students should take the appropriate measures to secure their portable personal property. An information sheet outlining those safeguards is available from any Principal or Dean of Students.

- No videos, photos, or audio are to be recorded on school grounds as it is illegal and a violation of district policy.
- Cell phones may be checked during a student’s lunch period only.
- Cell phones and/or headphones should never be visible in the hallway.
- Violation of the guidelines will result in confiscation of the student’s property. The length of the confiscation will be at the discretion of the administration. Parents may be requested to come pick-up student property when a constant violation has occurred.

- STUDENTS MUST RELINQUISH ELECTRONIC DEVICES UPON REQUEST FROM DISTRICT STAFF/ADMINISTRATION. STUDENTS WILL ONLY BE REQUESTED TO TURN OVER THEIR PROPERTY IN THE CASE OF A POLICY VIOLATION. FAILURE TO COMPLY WILL RESULT IN A MORE SERIOUS DISCIPLINARY PENALTY WHICH CAN EASILY BE AVOIDED.

Change of Address and Phone Numbers
If you have a change of address or phone number, report it immediately to the Administrative Office. Post Office boxes are not acceptable as addresses. Students are required to keep their phone number, address, and parent/guardian names current and accurate.

**Computer Usage and Internet Policy**

Students are not permitted to be in any classroom or computer room unless a classroom teacher is providing supervision.

All students are required to have their parents/guardians sign the Internet Policy. Students and parents are to read and abide by the Woodland Hills School District’s Internet Policy. Failure to adhere to the policy will result in disciplinary consequences. Loss of internet/printing privileges at Woodland Hills does not excuse a student from assigned work requiring such resources.

All users of the Woodland Hills School District network are expected to abide by the generally accepted rules of network etiquette:

1. Be polite.
2. Do not write, send, view or print abusive messages to others. Use appropriate language.

However, students may decline to recite the Pledge of Allegiance or National Anthem and may refrain from saluting the Flag on the basis of personal belief or religious convictions. A student who chooses not to participate may either stand or sit, remaining respectfully silent.

Locker Room

Lockers are provided for your use during physical education classes. You may bring your own lock to safeguard your possessions during class time. You are urged to leave valuable items at home. If you must carry money or other valuables to school, give it to your physical education teacher before class to safeguard it. Only those students scheduled for classes are permitted in the locker room. The locker rooms are not to be used as restrooms or a place to loiter. Lockers in the locker rooms are only to be used for physical education equipment. Woodland Hills does not assume responsibility for items missing from any school locker. If anything is missing from your “Locker Room Locker” contact your physical education teacher immediately. Your teacher will make a full report to your parents and the high school administrative staff. Students are not permitted to maintain a locker in the locker room, locks must be removed daily.

Lockers

Assigned lockers are the responsibility of the student to which it is assigned. Lockers should not be shared at any time for any reason. A student’s locker and the contents in the locker may be searched or inspected by school personnel at any time by any means, including a K-9 search.

Out of School Suspension

Any student who is suspended out of school is not permitted back on school grounds until invited for an informal or formal hearing; this includes attendance to school functions both on and off the school property. Parent/guardian will be required to return with their son/daughter upon completion of the suspension to assure a smooth transition back to the classroom and general school environment. Students may request their missed assignments in advance to assure a seamless academic transition back into the classroom. Existing behavior supports (see the Code of Conduct) will remain in place until the team feels the student has developed the skill set necessary to manage their own behavior successfully.

P.B.I.S  (Positive Behavior Intervention Support)

The P.B.I.S. Program was initiated in January of 2018 and will continue through the 2019-2020 school year. Periodically, there will be a focus on positive behavior that will be incentivized with reward slips. You must display the targeted behavior to receive a reward slip. The reward slips are not a method of bribing students or paying them to do a behavior...they are meant to reinforce the already displayed positive behavior. Reward slips are then utilized to win P.B.I.S. prizes as announced.

School Rings

In the spring of the sophomore year, class rings may be ordered from the jeweler’s representative. Students will be measured for correct finger size and must make a deposit of approximately $50.00 when placing an order. The rings will be delivered in the fall so that students may wear them during their junior and senior years.

Senior Pictures
Senior pictures are taken for the yearbook through arrangements made with the official school photographer. All seniors will be required to have a photograph taken to be certain every senior’s picture appears in the yearbook. Seniors must have their picture taken by the school photographer to have it placed in the yearbook.

**Student Detention**

Detention can only be removed by serving the detention after school. Students who fail to serve detentions will be put on a “No Participation List,” and will not be allowed to participate in any school sponsored event, sport or club until their detentions are served. In-School Suspension and Out-of-School Suspension are penalties for not attending detention. Student detentions may be served on designated days in the designated room(s) from 2:15 - 3:35pm.

**Telephones**

**Students are not to be excused from class to use the office telephone.** Only in an emergency will messages received for students in the high school office be delivered at an appropriate time determined by an administrator. Students are not permitted to use department office telephones. This includes answering, receiving or placing telephone calls.

**Textbooks**

Each student is given a book for the class in which he/she is enrolled. The book issued to the student is the one he/she must return. Allowance is made for use, but any damage or loss will be the responsibility of the student to reimburse the school. This applies to all school equipment such as padlocks, lockers, sports supplies, art materials, etc.

If a book is lost or damaged, it is the student’s responsibility to pay for it. Identifiable information should be neatly written in the indicated area on the inside cover of the textbook.

**Transportation**

All students riding the mid-day (11:40am) work-study bus must have an authorized bus pass. **Only students enrolled in the work-study program or those who have an administrative dismissal will be permitted on the bus.** This bus is NOT intended for transportation for scheduled appointments such as doctors, dentists or the like.

The activity bus departs from the front of the building at 3:45pm on designated days only. All students must have an activity bus pass signed by their sponsor to board the bus.

If a student needs to ride a bus other than his/her assigned bus, the student is required to bring a note, signed by the parent/guardian, which states the reason for the change to the front office before 12:00pm. The note must be approved by the principal who will then issue a bus pass.

**Withdrawal**

Students who are withdrawing from Woodland Hills Senior High School should:

1. Secure a withdrawal form from the Guidance Office the day prior to leaving.
2. Have parent/guardian signature and/or parental contact with the school. THIS IS
MANDATORY.
3. Have all teachers, the librarian, the school nurse, and the student’s counselor sign the form. All
textbooks and other school materials must be returned before these signatures can be
obtained. All financial obligations must be cleared with the front office.
4. Return the withdrawal form to the office and participate in an exit interview with their counselor.
5. Upon written parent/guardian request, school records will be sent to the school to the student’s
next school otherwise they will be sent upon request of the registering school.

Work Permits

An application and instructions for a work permit may be obtained in the front office. If you are a
student at WHSHS, you do not need a copy of your birth certificate, however, your parent or guardian
must be physically present to sign your permit in the front office.

GUIDANCE

An abundance of information is available in the Guidance Department and the Career Center
regarding colleges, college testing programs, scholarships, vocational and technical schools, referral
agencies, and careers. Your counselor will help you interpret your academic record and plan for future
success.

The guidance counselors are available to help you make decisions in planning your high school
program, solving personal problems, selecting a college or technical school and planning your career.
Your assigned counselor will work with you and get to know you throughout your years at the high
school.

Conferences with Counselors

Parent conferences with counselors and teachers are strongly encouraged. Appointments for such
conferences are easily arranged by contacting the student’s counselor and making the request. If
students wish to conference with counselors they must obtain a pass from the counselor or guidance
secretary. Special appointments for students or parents may be arranged. The subject and content of
the conference will be held in strictest confidence.

*If you are having academic or social problems, or peer or family concerns, please see your
counselor immediately for a personal conference.

Requests for Transcripts

A transcript of your school record is usually requested by prospective employers and is required if you
transfer to another school or apply for admission to a business school, technical school, college, or
Requests for transcripts should be referred to the guidance office in a timely manner. Students will be permitted to send six (6) transcripts to colleges and employers during the school year. Upon the seventh transcript request and thereafter, a fee of $1.00 will be charged. A “hold” may be placed on transcripts of those students with outstanding obligations.

**SAP Program**

The Student Assistance Program (SAP) is designed to help students whose behaviors indicate possible concerns. The Team consists of teachers, guidance counselors, building administrators, and the nurse who come together to suggest ways that students and their families may be able to deal with the child’s issues. If you have any questions, please call your child’s guidance counselor at 412-244-1100. All information related to your child’s involvement in the SAP process remains confidential. A student MAY SELF REFER themselves to the SAP team if they find a need to do so though in MOST cases parent permission will be required for continued treatment.

**Student’s Academic Record**

The contents of the file of each student are considered confidential information. Academic and/or personal information is released to no one except upon written request by the student and/or parent/guardian. Upon request, the counselor is ready to discuss items in a file with the student and/or his/her parents.

Student files are used by faculty and administrators to monitor the student’s progress, to determine class rank, to assess ability levels, to ensure that graduation criteria are met, and to serve as the basis for job and college recommendations.

Essential information is preserved for each student so that credentials may be provided at any future date when needed. **Students must notify the Guidance Office of any change in address or telephone number as soon as the change takes place. Students are required to keep the school informed of any changes in their family status, address, phone numbers, and parent or guardian.**

**University, College, Military and Vocational Representatives**

Every week during the school year representatives and recruiters from various colleges, universities, schools, employers and the military are invited to speak to interested students. These visits give students the opportunity to learn more about a particular interest area. Information regarding these representatives will be announced over the public address system, on the daily attendance sheet and on a calendar listing posted in the counselors’ office. **STUDENTS MUST MAKE A RESERVATION FOR THEIR PARTICULAR INTEREST AREA in the Guidance Office before the scheduled date of the representative.**

Procedure for Leaving School Due to Accident or Illness

Students who become ill or who are injured are to report to the health office for immediate evaluation and care. If the student must leave school because of illness or accident, the nurse must contact the parent, guardian, or person designated on the Emergency Care Card to gain the necessary permission
and to arrange for transportation. **Permission from the school nurse or a high school administrator is required before you may leave the building for any reason.**

**Sports and Health**

Student health and safety is of utmost concern at Woodland Hills Senior High School. Student participation in sports and other extracurricular activities necessitates open communication and planning with school staff. Parents and/or students must notify the Athletic department/ Coach/ After-School Moderator of any serious medical concerns, including life-threatening allergies. Parents/Guardians must supply any medication needed on site for the emergency treatment of these known issues. Parent/Guardian will be responsible to develop a medical management plan in conjunction with their physician and with the Athletic department/ Coach/ After-School Moderator.

Any other medication, prescribed or OTC (including acetaminophen and ibuprofen products), must remain in the original bottle and be given to security personnel upon entering the building. All medications will be taken to the nurse’s office where they will be stored in the original container in a locked cabinet or refrigerator in the health suite, as indicated on the pharmaceutical label. Medications will only be administered as per the indication on the original label and only by a school nurse or administrator. The health suite will be locked before and after school hours.

**SAFETY AND SECURITY**

**A.L.I.C.E.**

We are all aware of the possible dangers that our children face daily. To keep all of our children safe, the Woodland Hills School district has adopted a new strategy for lockdown procedures known as the A.L.I.C.E. plan. A.L.I.C.E. is an acronym for Alert, Lockdown, Inform, Counter, and Evacuate. Prior to the A.L.I.C.E. plan, lockdown procedures involved the staff locking their doors, moving the students to a part of the room where they could not be seen, and quietly remaining there until an “all clear” announcement was given. This has been found to not be the most effective way to counter school violence. A.L.I.C.E. uses technology and information in a way so that staff and students can make informed decisions in a crisis, remove as many people as possible from the danger zone, and provide realistic training so those involved in a crisis have a better chance of surviving.

**Balloons**

Balloons are not permitted in school or at school sponsored events (graduation, sporting events, social activities, club events) unless authorized by an administrator.

**Building Utilization**

The student and community activities which occur in the Woodland Hills Junior Senior High school often appear to make Woodland Hills seem to be in operation 24 hours per day. Consequently, certain limitations of time, of movement within the school, and of usage of facilities have to be established. The simple guidelines which encourage safe, manageable, and successful activities in the high school are as follows:

1. Students not engaged in a supervised activity must exit the building after 2:30pm each day. If a teacher, custodian, or adult sponsor asks you to leave the school grounds, you must leave the area. Students must be with a teacher, coach, sponsor, or administrator to be in the high school after 2:30pm.
2. Students or teachers who wish to use rooms or other facilities after school must submit a Facilities Use Form to the principal at least a week in advance.
3. No one is permitted to use the corridors and/or stairwells for running, jogging, or team practices, etc.

**Bullying**

The Board is committed to providing a safe, positive learning environment for district students. The board recognizes that bullying creates an atmosphere of fear and intimidation, distracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by district students.

**Definitions**

Bullying means an intentional electronic, written, verbal or physical act or a repetitive series of acts directed at another student or students, which occurs in a school setting, an/or outside a school setting, that is severe, persistent or pervasive and had the effect of doing any of the following:

1. Substantial interference with student’s education.
2. Creation of a threatening environment.
3. Substantial disruption of the orderly operation of the school.

Bullying, as defined in this policy, includes cyberbullying on social media.

School setting means in the school, on school grounds, in school vehicles, at a designated bus stop or at any activity sponsored, supervised or sanctioned by the school.

Bullying will not be tolerated and will be dealt with in accordance with Woodland Hills Code of Conduct.

**Emergency Closing**

If the District Superintendent determines it is necessary to close schools or delay openings, the announcement will be made as early as possible. Information will be available on the district’s website [www.whsd.net](http://www.whsd.net), as well as the Facebook and Twitter feeds.
The information on emergency closings will also be relayed through the parent alert system and to the local media:

KDKA Radio 1020 AM and KDKA TV  
WTAE Radio 1250 AM and TV  
KQV Radio 1410 AM  
FROGGY Radio 98 FM

**Emergency and Fire Drill Exit Information**

The teacher in each of the classrooms will inform all students of the proper emergency exit information for that particular room. Also, the emergency exit information will be posted near the exit door of each room. Students are required to become familiar with this information. In the event of a drill or an emergency, students are to move quickly and quietly to the area designated by the teacher and/or the posted instructions. All rooms are to have the windows closed, lights off, and door closed. All windows and blinds must be closed in the event of a “severe weather” warning or drill.

**Hall Conduct and Hall Passes**

Students will not be excused from class unless an emergency or a health problem exists. When such emergencies arise, students are to be sent immediately to the nurse’s office or to the closest bathroom.

Students will have four (4) minutes between classes. Therefore, no one should be excused from classes unless a health or safety concern is evident. Inappropriate open displays of public affection are not acceptable school behavior. Running in the hallways and loitering are also not acceptable school behavior. Students are to move to their appropriate classrooms as requested by teachers or staff members.

Passes must be signed beforehand by teachers, counselors, or administrators if you must travel from one part of the building to another. Students with signed passes will be given a few minutes to arrive at their destination. Students in the halls without passes will face disciplinary action.

Any time a student is excused from a classroom he or she must have a pass signed by his or her teacher. All students requested to leave their classroom due to volatile behavior are required to be escorted by security. Students are required to sign in the logs at the nurse’s office, the guidance office, and the main office.

**Leaving the School Building and/or Grounds without Permission**

The front of the school building by the main office/auditorium is the only doors to be utilized during the school day. *All doors will be equipped with an alarm system, during the school day doors open will sound an alarm and the office will be notified.* Students must enter and exit through these doors unless given permission by administration to exit otherwise. Note that during evacuations/drills/classroom participation/etc. are the only reasons one may enter/exit any door besides the main entrance.

No student is permitted to leave the school building and/or grounds during the school day without the knowledge and consent of the administration. The school has a responsibility to provide for the safety, welfare, and education of each student and it cannot do so if the student has left the school property without permission. Any student who violates this policy will face disciplinary action.
Metal Detectors/Bag Searches upon entry

Everyone entering the Woodland Hills Senior High School and/or events must submit to metal detection, walk through and/or wand, as well as a search of all bags, etc... Student should not argue with guards but instead follow the procedure which includes standing in line without “cutting”, carefully placing bags on the table and not throwing bags ahead of others. Cell phones should be placed on the table and should not remain on the students’ person or in their pocket. Such behaviors only slow down the morning entry, so please be courteous and follow the expectation without deviation.

Student photos and the use of

ALL students are to be photographed EACH YEAR whether they are planning to purchase photos or not. If a student misses the “picture day” they must get their photo taken on the makeup day. These photos will be used to make School IDs. If a student misses the “makeup day” or requests a replacement I.D., they will be charged $2.00 for a replacement ID. Photos become part of the students “permanent record” and are often vital especially when identifying students with the same names. Student photos will NOT be used for publication unless the parent/guardian has signed a photo release. Parents/guardians are encouraged to sign a release, so students may be recognized for academic, sports-related and other accomplishments throughout the year in the various media venues maintained by the district.

The district procedure regarding the use of student photographs for news releases, brochures, website, the community magazine, “In Woodland Hills,” and on the Internet requires a WHSD signed permission form. A permission form is available as a tear out at in the appendix of this handbook and must be returned to the child’s school. If this permission form is not on file, then your child's photograph cannot be used to promote the district or individual student achievements including but not limited to achievements in academics and sports. The district requires that this permission form be signed every year.

Parent Alert System
Woodland Hills School District utilizes a parent alert system to quickly communicate important information to parents. With this system you will be notified of any time-sensitive information in the event of a lockdown, relocation, evacuation or other emergency situation as well as changes in meeting times, and other communication materials that parents need to know. Parents and guardians are asked to keep the district updated with current phone numbers to ensure the delivery of time-sensitive information.

Student Backpacks

Students are permitted to enter the high school building with their backpacks. Backpacks will be checked by security and must be opened when requested by a security officer for checking. Backpacks may be carried to class unless the bag cannot fit under the student’s desk. If the student’s backpack interferes with the classroom learning environment, student will be instructed to place the backpack in their assigned locker.

Student Driving and Motor Vehicle Guidelines

Parking spaces at Woodland Hills High School are limited; therefore, parking is limited to 12th grade licensed drivers and passes are distributed by need, i.e., Extra-curricular; Work Study; After School commitments. Students must apply for a parking pass in August and provide evidence of participation
in school activities that warrant the student driving to and from school. The cost of the parking pass is $10.00 and is non-refundable.

Students permitted to drive must have their vehicle registered and must have a current high school parking decal visible on the rear-view mirror. **There is no parking in the rear of the building.** Temporary permits may be issued for specific short-term needs, health, safety, or family emergency at the discretion of the building principal. Woodland Hills School District does not assume any liability for vehicles parked on school property or any articles contained in the vehicle. Woodland Hills School District does not assume any liability for students driving to school-related activities and classes with school permission off the campus of Woodland Hills Junior Senior High School.

Violation of a listed driving or parking regulation may result in the loss of driving privileges, towing of the violator’s car at his/her expense, citation by the police department, or detention or suspension assigned by an administrator. In the case the loss of driving privileges, the penalty may be for the remainder of the school year. **Students parking in areas prohibited to them; i.e., faculty areas, visitor areas, and fire lanes, will be given a parking violation citation by the Churchill Police Department and/or will have the car towed away at the student’s expense.** Students will be charged the full cost to compensate the independent towing service. **Students with frequent tardiness to school may have their parking pass revoked.**

Registration forms will be available in the high school office beginning on the first day of school. Students must submit a completed application with parent signature and copies of their driver’s license and registration card for each car registered.

**Visitors**

Only visitors with important school business will be permitted on the grounds or in the building. All visitors are required to register and present a photo I.D. at the front security desk, receive a visitor’s pass and then report to the front office. The visitor’s pass must be visible at all times. Requests should not be made to bring visitors from other schools or out-of-town friends or relatives during the regular school day. Students are not permitted to bring their children, or any other students not currently enrolled in Woodland Hill Senior High School, to school at any time during the regular school day.

**PUBLIC NOTICE**

**ANNUAL PUBLIC NOTICE OF SPECIAL EDUCATION SERVICES AND PROGRAMS, SERVICES FOR GIFTED STUDENTS, AND SERVICES FOR PROTECTED HANDICAPPED STUDENTS**

2019/2020

**Notice to Parents**

According to state and federal special education regulations, annual public notice to parents of children who reside within a school district is required regarding child find responsibilities. School districts and intermediate units are required to conduct child find activities for children who may be eligible for services via Section 504 of the Rehabilitation Act of 1973. For additional information related to Section 504/Chapter 15 services, the parent may refer to Section 504, Chapter 15, and the Basic Education Circular entitled Implementation of Chapter 15. Also, school districts are required to conduct child find activities for children who may be eligible for gifted services via 22 PA Code Chapter 16. For additional information regarding gifted services, the parent may refer to
22 PA Code Chapter 16. If a student is both gifted and eligible for Special Education, the procedures in IDEA and Chapter 14 shall take precedence.

This notice shall inform parents throughout the school district and intermediate unit of the child identification activities and of the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children. In addition to this public notice, each school district and intermediate unit shall publish written information in the handbook and on the website. Children ages three through twenty-one can be eligible for special education programs and services. If parents believe that the child may be eligible for special education, the parent should contact their district of residence. Contact information is listed at the end of this public notice.

Children age three through the age of admission to first grade are also eligible if they have developmental delays and, as a result, need Special Education and related services. Developmental delay is defined as a child who is less than the age of beginners and at least three years of age and is considered to have a developmental delay when one of the following exists: (i) The child’s score, on a developmental assessment device, on an assessment instrument which yields a score in months, indicates that the child is delayed by 25% of the child’s chronological age in one or more developmental areas, or (ii) The child is delayed in one or more of the developmental areas, as documented by test performance of 1.5 standard deviations below the mean on standardized tests. Developmental areas include cognitive, communicative, physical, social/emotional and self-help. For additional information contact the intermediate unit. Contact information is listed at the end of this public notice.

Evaluation Process
Each school district and intermediate unit has a procedure in place by which parents can request an evaluation. For information about procedures applicable to your child, contact the school that your child attends. Parents of preschool age children, ages three through five, may request an evaluation in writing by addressing a letter to the Early Intervention Program Director, Central Intermediate Unit #10, 345 Link Road, West Decatur, PA 16878.

Consent
School entities cannot proceed with an evaluation or with the initial provision of special education and related services without the written consent of the parents. For additional information related to consent, please refer to the Procedural Safeguards Notice which can be found at the PaTTAN website, www.pattan.net. Once written parental consent is obtained, the district will proceed with the evaluation process. If the parent disagrees with the evaluation, the parent can request an independent educational evaluation at public expense.

Program Development
Once the evaluation process is completed, a team of qualified professionals and the parents determine whether the child is eligible. If the child is eligible, the individualized education program (IEP) team meets, develops the program, and determines the educational placement. Once the IEP team develops the program and determines the educational placement, school district staff or intermediate unit staff will issue a notice of recommended educational placement/prior written notice. Your written consent is required before initial services can be provided. The parent has the right to revoke consent after initial placement.

Confidentiality of Information
The school districts and to some extent the intermediate unit maintain records concerning children enrolled in the school, including students with disabilities. All records are maintained in the strictest confidentiality. Your consent, or consent of an eligible child who has reached the age of majority under State law, must be obtained before personally identifiable information is released, except as permitted under the Family Education Rights and Privacy Act (FERPA). The age of majority in Pennsylvania is 21. Each participating agency must protect the confidentiality of personally identifiable information at collection, storage, disclosure, and destruction stages. One official at each participating agency must assume responsibility for ensuring the confidentiality of any personally identifiable information. Each participating agency must maintain, for public inspection, a current listing of the names and positions of those employees within the agency who have access to personally identifiable

ALMA MATER

Joined in bond from day to day
Friendships made along the way.
Ties that bind us like a ring
Alma Mater praises sing.

Sons and daughters stand up tall
Let thy banner never fall.
May she wave in our hearts as we live.

We will rise and sing;
Our voice they will hear;
Colors raised, victory’s ours,
Alma Mater dear.

Many days will pass us by,
But the memories never die.
Alma Mater, Dear Woodland Hills High.
